WAITING FOR GOD'S VOICE

Before Eating, and in the Meantime
Tippen Is Starving.

Rome, Ga., Dec. 6.—Vowing that he will not allow food to pass his lips until Almighty God speaks to him and commands him to eat, William Tippen, a conf etioner and interested in several industrial enterprises here, has fasted for twenty-four days. He has suffered from tuberculosis for several years, but believes that through faith and fasting he will be cured. His theory is that food simply furnishes fuel for the disease. Although his wife and friends beg him to eat, he declares he will not do so until the voice of God commands him. He says he is not hungry and has no desire for food and will await such time as God sees fit to restore his appetite.

Tippen is very weak and unable to leave his bed and his death is daily expected.

A Good Meeting.

On last Thursday the Suwannee county Union met with the Rixford local. Notwithstanding the stormy weather there were a good many locals represented and we had our State President, M. S. Knight with us, who gave us light on many lines of unionism. We realize that our president has done a great work, and also Bro. Mizell, our State business agent. He has many good things in store for us if we will have them. So brethren, let's wake up to a realization of our obligation as Union men and be loyal and true. Our leaders are ever looking to our interest. Let's stand by them and ever be ready to answer to the call. Some may claim that the Union has not accomplished anything, but any Union man that is guilty of that assertion is not fit to be at the head of a family. His wife should take the "breeches" and run the business.

We beg every Union man in Suwannee county to post himself along the lines of his own interest, and if he wants to get interested sure enough, just get in touch with our State business agent, O. L. Mizell, and he can find out if the Union is doing anything. Let's keep in touch with our head. We hope to see all who have been Union men come back and be true, and all of those that are entitled to membership

come in. This Union is ours, and we all ought to belong to it.

May God help us so to do.

ARE MICROBES IN YOUR HAIR?

It Has Been Proved That Microbes Cause Baldness.

Professor Unna of Hamburg, Germany, and Dr. Sabouraud, the leading French dermatologist, discovered that a microbe causes baldness. Their theory has time and again been amply verified through research experiments carried on under the observation of eminent scientists. This microbe lodges in the sebous, which is the natural hair oil, and when permitted to flourish it destroys the hair follicles and in time these pores entirely close, and the scalp gradually takes on a shiny appearance. When this happens there is no hope of the growth of hair being revived.

Dandruff is a contagious disease, which is largely due to a destructive microbe, which when left to poison the scalp causes itching scalp, falling hair and baldness. Dandruff is caused by the microbe affecting the glands which produce the sebaceous matter, which latter then unconsciously dries up and scales off.

We have a remedy which will we honestly believe, remove dandruff, exterminate the microbe, promote good circulation in the scalp and around the hair roots and overcome baldness, so long as there is any life left in the hair roots.

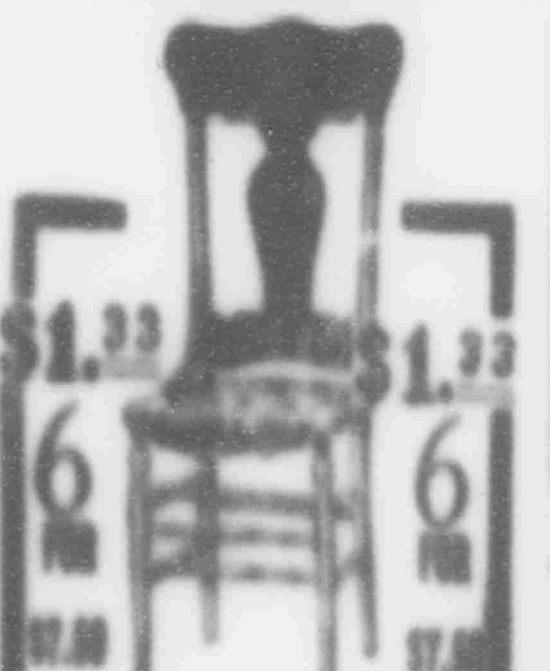

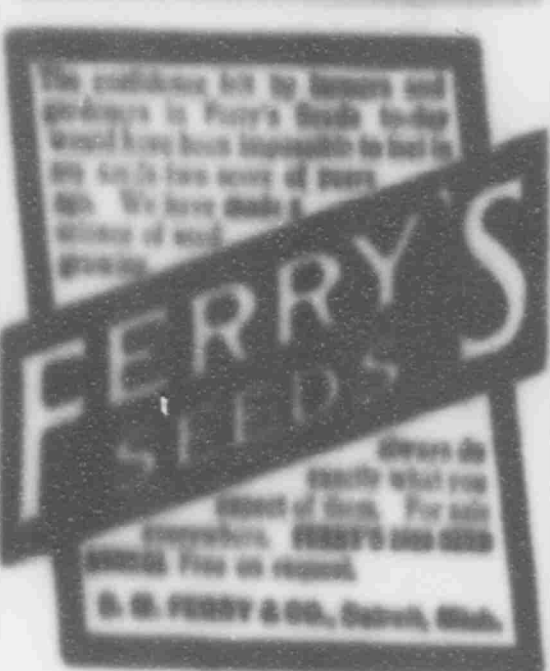

We back up this statement with our own personal guarantee that this remedy called **Rexall "W" Hair Tonic** will be supplied free of all cost to the user if it fails to do as we state.

It frequently restores gray and faded hair to its original color, providing loss of color has been caused by dandruff; yet it is in no sense a dye. **Rexall "W" Hair Tonic** accomplishes these results by making every hair root, follicle and

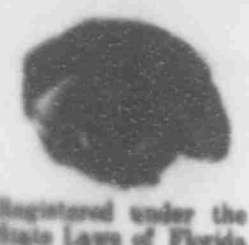

pigment gland strong and active, and by stimulating a natural flow of coloring pigment throughout the hair cells.

Rexall "W" Hair Tonic is entirely free from grease or sediment, is exceedingly pleasant to use and will not gum the hair or permanently soil the clothing or pillows.

We exact no obligations or promises—we simply ask you to give it a thorough trial and if not satisfied tell us and we will refund the money you paid us for it. Two sizes, price 50 cents and \$1.00. Remember you can obtain it in Rochester or at our store, **The Rexall Store, The Suwannee Drug Co.**
